## Further terms and conditions for our 66+ Income Bond

### 1 Opening and managing your account

- 1.1 This account is only for personal use by individuals. It's not available to sole traders, partnerships, companies, trustees, associations (whether incorporated or not) or any kind of business, club or charity.
- 1.2 This account can't be opened by someone who holds a Power of Attorney for you, however, their name can be added later. If this happens, we'll remove online access from the account and we'll provide phone access for them if possible.
- 1.3 The account opening date is the date that we receive your first payment. If we don't receive this before the date the account becomes closed to payments in, the application will be cancelled and your account won't be opened.
- 1.4 Where you've opened your account by phone and made a payment into your account, we must receive your electronically signed application form within 30 days. If we don't receive this, the account will be closed, and your money, plus any interest earned, will be returned to you.
- 1.5 For applications made by other channels, we must receive your completed application before the account is withdrawn from sale. If we don't receive this, your application will be cancelled and your account won't be opened.
- 1.6 We can remove telephone access if, in our reasonable opinion, it isn't viable for the service to continue. If this happens, we'll give you 30 days' notice.
- 1.7 If you cease to be eligible for an account that can be operated online, we'll change your account to a suitable alternative account.

### 2 Making payments into the account

- 2.1 You can make payments into your account, until we close it to further payments in, by:
  - electronic payment from another UK bank or building society by Faster Payments, CHAPS or BACS
    - we don't accept any Direct Debit payments or standing orders into this account
  - internal transfers from another Skipton Building Society account
    - this is subject to any notice period or other restrictions that the account has on withdrawals
  - debit card
  - cash, in branch only
    - you'll need to provide photographic identification for the first cash payment, details are set out in our 'Proving your Identity' document or at [skipton.co.uk/identity](https://skipton.co.uk/identity)
  - cheque, by post to our principal office or at any branch.
- 2.2 If opening this account by post, your first payment can only be made by cheque or internal transfer from another Skipton Building Society account.

### 3 Savings account limits

- 3.1 All payments into the account are subject to account minimum and maximum amounts. You can't pay more money into the account than the maximum balance. The limit can only be exceeded with any interest added. If you make a payment into your

account which will take it over the maximum balance, or the account doesn't meet the minimum opening or operating balance by the time the account becomes closed to future payments in, we'll return the money to you.

- 3.2 £5 million is the maximum amount any one saver can hold across all their Skipton Building Society savings accounts. For joint accounts, we'll treat the total balance held within it as if it's split equally between each of the account holders for the purpose of calculating this balance only. For example, if you're one of two account holders on a joint account containing £1 million, £500,000 of that will count towards your personal limit. This means you can save up to £4.5 million in any other Skipton Building Society account(s).

## **4 Withdrawals and closures**

- 4.1 You can't make any withdrawals before maturity, or close the account after the 14-day cancellation period, unless we receive satisfactory evidence that:

- you or someone from your immediate family are diagnosed with a terminal or critical illness
- a bankruptcy order has been made against you. A bankruptcy order is a court order and means you're insolvent.

Withdrawal in these circumstances can only be made by the Trustee in Bankruptcy

- you die, in which case your personal representatives can choose to let the account run until maturity.

## **5 Interest**

- 5.1 The interest must be paid into a non-Skipton UK building society or bank account. The account we make payment to must be a nominated account in your name.

## **6 Non-payment accounts**

- 6.1 This account is not a payment account for the purposes of the Payment Services Regulations 2017. It is a savings account and must not be used for multiple monthly transactions like current accounts.

## **7 Membership rights and the Society's Rules**

- 7.1 This account is a share account, which means you'll become a shareholding member of Skipton Building Society. You'll be bound by the Rules of Skipton Building Society (also called our 'Rules'). Copies of our Rules are available on request.

## **8 Statements**

- 8.1 Any electronic payment statement or annual statement will be provided online unless you request a postal statement.

## **9 Maturity of your 66+ Income Bond**

- 9.1 We'll contact you before the end of the fixed term to explain the options open to you on maturity. You can choose to:
- do nothing – your savings will automatically transfer into a new easy access account, which has a variable rate of interest
  - transfer some of or all the money to a different fixed rate bond or another type of account with us, subject to the terms and conditions of that account. The account must be an account in your name.
  - add extra savings with the above two options
  - withdraw some or all of your money by:
    - electronic payment to another UK bank or building society (but not Direct Debit)
      - to up to two nominated UK bank or building society accounts in your name. We won't make an electronic payment to any other type of account.
    - transfer to another Skipton Building Society account in your name
      - this is subject to the terms and conditions of that account.
    - cash, in branch only
      - this is subject to our daily withdrawal limits. You can find out what these are by visiting our website or contacting us.
    - cheque, in branch, by post or phone

- this is subject to our cheque withdrawal limits when withdrawing in branch. You can find out what these are by visiting our website or contacting us.

9.2 If you 'do nothing' and continue in a new variable rate easy access account:

- we'll send you confirmation of your new account within seven days of the maturity of this account
- our Savings Account Terms & Conditions will still apply and we'll send you the further terms & conditions for the new account. The interest rate for that account will be variable and the date that interest will be applied to your account and the minimum and maximum amounts you can save might be different. If your account balance at maturity is above or below the minimum or maximum amounts, we'll still transfer your savings. Any new transactions will be subject to these limits.
