Can Skipton Building Society change the interest rate?	<ul style="list-style-type: none"> • Yes, the interest rate is variable, so it can go up or down. • Section 8 of our Savings Account Terms and Conditions explains why we may change the interest rate. • If you have at least £100 in your account, we'll notify you in advance if we intend to reduce your interest rate. 			
	Opening balance		Estimated balance	
	£1,000		£1,033	
What would the estimated balance be after 12 months based on a £1,000 deposit?	<ul style="list-style-type: none"> • The estimated balance above assumes that: <ul style="list-style-type: none"> - the account is opened with £1,000 and starts earning interest straight away - no further deposits or withdrawals are made - the interest is paid annually - the interest is added to this account - there is no change to the interest rates stated. • Estimated balances are for illustrative purposes only. They may be less for accounts opened by debit card or cheque, because interest won't be earned until your account receives the deposit.

We'll provide you with details when you give withdrawal notice to us. • You can only have one notice period running at a time. • If you withdraw by electronic payment this must be made to a UK bank or building society account in your own name(s). We won't make an electronic payment to any other type of account. 			

Additional information	<ul style="list-style-type: none"> • The AER shows what the interest rate would be if interest was paid and added each year. • We pay all savings interest gross, which means no tax is deducted.
