## Important information about ISAs

The Financial Conduct Authority is a financial services regulator. It requires us, Skipton Building Society, to give you important information to help you decide whether our 18 Month Fixed Rate Cash ISA is right for you. You should read this document carefully so that you understand what you're buying, and then keep it safe for future reference.

### How much can I save in an ISA?

- The government currently sets a tax-free allowance that you can save in Individual Savings Accounts (ISAs) each tax year; 6 April – 5 April. The allowance is currently set at £20,000 per tax year.
- From 6 April 2024, you can split your ISA allowance however you like between:
  - Cash ISAs
  - Stocks and Shares ISAs
  - Innovative Finance ISAs
  - a Lifetime ISA (if you're eligible. Maximum subscription is currently set at £4,000 per tax year).

This means you will be able to pay into more than one of each type of ISA in the same tax year (with the exception of Lifetime ISA, where you can only pay into one per tax year) as long as you don't go over the maximum overall limit.

Here are some examples of how you could do this:

Example	Cash ISAs		Stocks and Shares ISAs	Innovative Finance ISAs	Lifetime ISA	Total
	Fixed Rate	Easy Access				
1	£8,000	Nil	£6,000	£6,000	Nil	£20,000
2	£5,000	Nil	£11,000	Nil	£4,000	£20,000
3	£10,000	£6,000	Nil	Nil	£4,000	£20,000

### Can I transfer my existing ISA to a Skipton Cash ISA and stay tax-free?

- Simply log in to Skipton Online or the Skipton App to get started. Alternatively, speak to us at your local branch.
- If you want to transfer your ISA savings, you can transfer some or all of the amount, depending on what your current ISA provider allows. If you're transferring from one Skipton ISA to another Skipton ISA, you can only transfer in full.

- If the transfer can be completed using the electronic ISA transfer system, your transfer will normally be completed within seven business days after we receive your instruction.
- Otherwise, within five business days of receiving your transfer instruction, we'll send it to your current ISA provider and tell them we'll accept the transfer.
- Once they've transferred your money to us along with the information we need, we'll add the money into your Skipton ISA within three business days.
- We'll backdate the interest to whichever is soonest; either:
  - the date on the cheque from your current ISA provider, or
  - 15 business days (for a Cash ISA or Innovative Finance ISA transfer) or 26 business days (for a Stocks and Shares ISA transfer) after we receive your instruction.
- If you choose to be updated by text message on how your ISA transfer is progressing, we'll send you a message when the transfer request has been input on our system and to confirm when we've received the money from your current ISA provider.

### Can I transfer my Skipton Cash ISA to another provider and stay tax-free?

- For previous years' ISA subscriptions in variable rate Cash ISAs, you can transfer some or all of your ISA savings to another ISA provider, without affecting your ISA allowance, if the terms of both accounts allow it.
- For current year's ISA subscriptions in variable rate Cash ISAs, you can only transfer your Skipton Cash ISA in full to another ISA provider, and only if the terms of both the accounts allow it, without affecting your ISA allowance.
- For previous years' or current year's ISA subscriptions in fixed rate Cash ISAs, you can only transfer your Skipton Cash ISA in full to another ISA provider, and only if the terms of both the accounts allow it, without affecting your ISA allowance.
- If you transfer savings from a Cash ISA to a Lifetime ISA, the value transferred will count towards the annual £4,000 Lifetime ISA allowance, but not the overall ISA allowance for the tax year.
- If you wish to transfer your money to another ISA provider, please contact your new provider. Once we receive a transfer instruction from them, we'll transfer your money by the date you choose or within five business days, whichever is later. Your savings will remain tax-free (providing the transfer is in accordance with ISA Regulations).

### Can I cancel my account?

- Yes, from account opening, you have 14 days to notify us (in writing, in branch or by phone). We'll refund your money or transfer your funds to another account with Skipton or another provider without penalty, plus any interest earned from the date of account opening.
- If you open the account with money previously held in an ISA, and you subsequently cancel your account, your funds won't lose their ISA status, as long as you transfer them to another ISA.
- If you open the account with money not previously held in an ISA, and you subsequently cancel your account, your cancelled ISA won't count as an ISA subscription. Any interest that you've earned during this period will be paid gross, which means no tax is deducted. It's your responsibility to pay any tax due, based on your individual circumstances.

### What if I'm new to Skipton?

- We'll require your National Insurance number, confirmation of address and some form of identification to open the account. If you're on the electoral roll for your current address, we may be able to verify your identification electronically. To do this, please call 0345 850 1722 and we'll let you know straight away if you've passed our checks.
- If we can't verify your identity electronically, you're not registered on the electoral roll or you're opening in branch, you'll need to provide proof of identity as set out in our 'Proving your Identity' document or at [skipton.co.uk/identity](https://skipton.co.uk/identity).

## Further terms and conditions for our Fixed Rate Cash ISA

### 1 Opening and managing your account

- 1.1 This account must be in your own name and not be held for the benefit of anyone else, including being used as security for a loan.

- 1.2 This account can't be opened by someone who holds a Power of Attorney for you, however, their name can be added later. If this happens, we'll remove online access from the account and we'll provide phone access for them if possible.
- 1.3 We'll operate the account in accordance with government legislation and HMRC regulations and guidance.
- 1.4 We'll satisfy ourselves that anyone we delegate our functions and responsibilities to under the terms agreed is competent to carry them out.
- 1.5 We must receive your completed application including declaration before the account is withdrawn from sale. If we don't receive this your application will be cancelled.
- 1.6 The account opening date is the date that we receive your first payment. You won't be able to make a payment in until we've received your completed application, including declaration.
- 1.7 If we don't receive your first payment in or a request for an ISA transfer in before the date the account becomes closed to payments in, the application will be cancelled, and your account won't be opened.
- 1.8 If you breach the ISA Regulations or become bankrupt, we may have to void your account. If this happens, we'll notify you. You may then have to pay tax on the interest earned. Where you've made payments which breach ISA regulations, we'll attempt to return payments to you. Where, after making reasonable efforts, we've not been able to return those funds, we may open a new easy access non-ISA account with a variable rate of interest to place those funds into.
- 1.9 We can remove telephone access if, in our reasonable opinion, it isn't viable for the service to continue. If this happens, we'll give you 30 days' notice.
- 1.10 If you cease to be eligible for an account that can be operated online, we'll change your account to a suitable alternative account.
- 1.11 If you die, interest due up to the date of death will be paid. From the date of death, the account will transfer to a new easy access Cash ISA with a variable rate of interest and no online access. It will be dealt with in accordance with HMRC regulations and guidance, and we'll advise your personal representatives of the new rate and terms of the account.

## **2 Making payments into the account**

- 2.1 You can make payments into your account, until we close it to further payments in, by:
  - Electronic payment from another UK bank or building society by Faster Payments, CHAPS or BACS.
    - We don't accept any Direct Debit payments or standing orders into this account.
  - Internal transfers from another Skipton Building Society account.
    - This is subject to any notice period or other restrictions that the account has on withdrawals.
  - Transferring ISA savings in from other ISAs via our ISA transfer service.
  - Debit card.
  - Cash, in branch only.
    - You'll need to provide photographic identification for the first cash payment, details are set out in our 'Proving your Identity' document or at [skipton.co.uk/identity](https://skipton.co.uk/identity).
  - Cheque, by post to our principal office or at any branch.
- 2.2 If opening this account by post, your first payment can only be made by cheque, internal transfer from another Skipton Building Society account or via our ISA transfer service.

## **3 Savings account limits**

- 3.1 All payments into the account are subject to account minimum and maximum amounts. You can't pay more money into the account than the maximum balance. The limit can only be exceeded with any interest added. If you make a payment into your account which will take it over the maximum balance, or the account doesn't meet the minimum opening or operating balance, by the time the account becomes closed to future payments in, we'll return the money to its source automatically.
- 3.2 £5 million is the maximum amount any one saver can hold across all their Skipton Building Society savings accounts. For joint accounts, we'll treat the total balance held within it as if it's split equally between each of the account holders for the purpose of calculating this balance only. For example, if you're one of two account holders on a joint account containing £1 million,

£500,000 of that will count towards your personal limit. This means you can save up to £4.5 million in any other Skipton Building Society account(s).

#### **4 Withdrawals and closures**

- 4.1 You can close the account at any time, without notice. However, after the 14-day cancellation period, if you close the account early, you'll have to pay an interest penalty, as explained in the summary box, unless we receive satisfactory evidence that:
- You or someone from your immediate family are diagnosed with a terminal or critical illness.
  - A bankruptcy order has been made against you. A bankruptcy order is a court order and means you're insolvent.
- Withdrawal in these circumstances can only be made by the Trustee in Bankruptcy.

- 4.3 You can close your account and withdraw the full balance by:

If you close your Cash ISA, you'll lose your tax-free benefits for previous or current years' ISA allowances, whichever apply at the time of closure, and you won't be able to replace this in the future.
- 4.5 Electronic withdrawal or closure requests received after 8:00pm (3:30pm for requests over £100,000) on a business day or received on a non-business day will be treated as if they were received by the Society the next business day. Therefore, your savings will continue to earn interest until the next business day. Business days exclude Saturday, Sunday and bank holidays.
- 4.6 You'll need to provide identification and a valid signature if you close your account in branch. Acceptable forms of identification are set out in our 'Proving your Identity' document or at [skipton.co.uk/identity](https://skipton.co.uk/identity).

## 9 Maturity of your Fixed Rate Cash ISA

9.1 We'll contact you before the end of the fixed term to explain the options open to you on maturity. You can choose to:

- Do nothing – we'll pay any interest due, and your savings will automatically transfer into a new 1 year fixed rate Cash ISA with similar restrictions on withdrawals.
- Transfer some or all the money to a different fixed rate Cash ISA or another type of account with us, subject to the terms and conditions of that account. The account must be an account in your name.
- Add extra savings with the above two options.
- Withdraw some or all of your money, see 4.3 for details.

9.2 If you 'do nothing' and continue in a new 1 year fixed rate Cash ISA:

- We'll send you confirmation of your new account within seven days of the maturity of this account. You'll have 21 days from maturity to change your mind and choose to do something else with your money.
- The further terms and conditions still apply, as well as our Savings Account Terms and Conditions. The interest rate, the date that interest will be applied to your account and the minimum and maximum amounts you can save might be different. If your account balance at maturity is above or below the minimum or maximum amounts, we'll still transfer your savings. Any new transactions will be subject to these limits.
